

Reference Business Profile & Permission Document

Project Title: Splash Screen

University: Nelson Mandela University

Prepared By:

- Juanette Rozaan Viljoen: 224145312
- Tinotenda Mhedziso: 227284240
- Line Redpath: 224350536

1. Business Overview

- Business Name: Swimpool Centre
- Industry: Swimming Pool Services & Equipment
- Location: Uitenhage/Kariega
- Logo:

2. Products & Services

- The business provides a range of pool-related products and services, including:
Check the water and add chemicals using customer's chemicals if available, if not Uitenhage Swimpool Centre CC will supply the chemicals needed and charge accordingly.
- Vacuum the pool, check suction, clear out leaves from the various baskets, scrub the sides of the pool and brush thoroughly.
- Remove all leaves from pool and baskets, should any of the baskets be broken these will be replaced and charged accordingly.
- The pump and motor will be checked for suction and performance.

- The pool cleaner will be checked and any sticks or leaves blocking it will be removed.
- Replacement of hoses and minor parts will be undertaken and charged accordingly.
- The filter will be backwashed and rinsed and equipment will be checked for problems.
- The pool may be cleaned on the waste position if the pool is very dirty causing loss of water.
- The safety net and or cover will be replaced in the same manner as we found them, however we will not be held responsible if the cover and/or safety net is torn or damaged in any way.

3. Role in the Project

This business has been selected as a reference organization for our university project. The project involves designing and developing a mobile application ("SplashScreen") that addresses challenges faced by pool owners in South Africa. The business will serve as a case study model to inform the design of features such as:

- Service listings and booking system
- Product inventory integration
- Customer-business interaction (reviews, communication, notifications)

4. Disclaimer

This document and all information displayed within the system are strictly for academic purposes only. The system will not be used commercially, nor will the business's name, logo, or services be distributed beyond the scope of this university project.

5. Permission & Acknowledgment

I, the undersigned, hereby acknowledge that the above-mentioned business has been selected as a reference organization for Splash Screen, a university project. I give permission for the business name, logo, services, and products to be displayed in project documentation and within the academic prototype system.

This permission is granted solely for educational use and does not extend to any commercial use of the information.
